Title 5 Sections 59300 et seq.

The Superintendent/President, consistent with BP 2510 Participation in Local Decision Making, shall establish procedures for the management and maintenance of a comprehensive District web presence.

The procedures shall include provisions for compliance with Board policies and federal, state, and local laws including copyright, license, accessibility, and electronic communication policies and branding standards for the development and maintenance of the District's web presence. The SBCC domain and related web content should provide ease of navigation, universal access, and accurate and current information.
