Title 5 Sections 55060 et seq.

The District grants degrees in Associate in Arts, Associate in Science, Associate in Arts – Transfer, and Associate in Science – Transfer. In addition, the District grants Certificates of Achievement and Certificates of Completion.

The Superintendent/President shall, in consultation with the Academic Senate, establish procedures to set degree and certificate requirements. The procedures shall assure that graduation requirements are published in the catalog and included in other resources that are accessible to students.

Catalog Rights

Catalog rights permit students who are continuously enrolled at the institution to select the catalog year the student will follow for general education and degree/certificate requirements provided the catalog selected is one of the following:

- 1) the catalog in effect at the time of initial enrollment;
- 2) the catalog in effect at the time of graduation; or
- 3) any catalog year between initial enrollment and graduation.

Such catalog rights do not preclude a department from requiring recency requirements established through the Curriculum Advisory Committee process.
