

Update your major on Pipeline:

Step 1- Log onto your [SBCC Pipeline](#) account.

Step 2- From the 'Student' tab select 'Registration'

Step 3- Select 'Update Ed Goal & Major'

Registration

[Check Your Pre-Registration Requirements and Registration Appointment](#)

Check your pre-registration requirements, holds, academic standing, and your registration appointment date.

[Select Term](#)

Stop here first to select a term to work with while you're within the Registration module.

[Register, Add or Drop Classes](#)

Add or Drop classes here. Links to class search, fees and schedules.

[Look Up Classes to Add](#)

Need to find a class? Start here. You can move right into registration once you've found the class(es) you want.

[Week at a Glance](#)

[Student Schedule and Bill](#)

A look at your schedule, complete with times, locations, instructors and course deadlines. A must for those who are registered.

[Student Detail Schedule](#)

Check your waitlist position. View more details about your class schedule.

[Update Ed Goal & Major](#)

Change your educational goal and/or your major. NOTE: Changing your educational goal after October 15 (Additionally, changing your educational goal will NOT remove preregistration holds (orientation, assessment, etc.)).

[Registration Fee Assessment](#)

See how much you owe with detail codes that explain the charges.
